2 - D-Day -

— From memory, even at Frank's club, they never reached that figure! Vanessa added.

— Which means we cover all the costs plus a substantial profit! Mike said with a big smile. It also means Vanessa could earn more than double what she currently makes at Frank's, by working only once a week instead of five days out of seven!

— How good we are, the three of us! You see, Mike, if we were of another religious confession, you could live with

both of us! she declared, bursting out laughing.

— Humm, that would be worth studying! Vanessa retorted, giving Mike a complicit look.

— Hey girls! Polyamory or a 'ménage à trois' is a way of life in which partners are open to more than one romantic relationship, advocating transparency, honesty, and respect for all involved without any form of jealousy...

— Hmm, I like the idea, Séverine let slip.

— A concept to study... Vanessa said.

— Well! On those good words, I'm going to take a good shower! Séverine announced.

As Mike finished his pain au chocolat, Vanessa asked him:

— Do you think a 'ménage à trois' could work?

— "In principle, it's always better to share love than to cheat on one another...

— It's funny that she makes that kind of reflection, I think...

— In a way, not really; she likes to be shared and consequently isn't really exclusive or jealous! Then it's you who must weigh the pros and cons.

— And you? Do you like the idea? When you are in love with someone?

— Ouch, we're entering alchemy... I'm unable to answer; for example, I feel something very strong and intense with

you; I also feel something very strong with Séverine but on different levels. Let's let time do its work, I think... Mike said, squeezing her hand.

— Love allows all forms of concessions, Vanessa said tenderly.

— By the way! I haven't told anyone yet, but I have a friend 'Joe' who has a great villa right on the water in Mauritius; he offered to rent it to me... Before getting back to the grind, we could have taken a little break, couldn't we?

— But your idea is gigantic!

— We launch the programs before leaving with a two-week gap, and we're set! We can leave.

— All three of us!

— Why that question?

— "Because I think all three of us, it could be a hell of a time, uh... I mean heavenly!

— Do you sincerely think so?

— Oh yes! Taking into account our relationship, the two of us, totally and without any ulterior motives!

— Then I'll let you tell her! I'm going to the shower, he said, getting up and kissing her.

— I'm going to fill her in! Vanessa confirmed with her radiant smile.

Mike, after greeting the cleaning crew, took his shower. When he prepared to get dressed, two naked and wild females

jumped on him, mad with joy, pushing him unceremoniously onto the bed.

— You little hider! Séverine cried out, annoyed. You didn't tell me anything, huh!!!????

— Well, I probably must have forgotten to tell you what I had forgotten... he said, dying of laughter.

— We're going to rape you! Séverine said beastially, both of them grabbing and kissing him fiercely, returning to their wild state.

The two females, catching each other's hair, lay back, rubbing against each other while kissing madly, biting each other's breasts with full teeth. Vanessa dived onto Mike's phallus and swallowed it greedily, pumping it like never before,

while Séverine was already absorbed between her fleece and her rump. Séverine took her place, offering her buttocks to Vanessa, who took the opportunity to give her a good spanking while Séverine pumped his glans with fervor. Séverine impaled herself on her favorite toy; Vanessa came to offer her soft fleece to Mike's lips by sitting on his mouth. The two females, facing each other, swayed on their favorite attractions in a spirited and deep tongue-play. In full orgasm, he pushed Séverine and took Vanessa from behind, exploding with intoxication, Séverine lubricating his shaft during penetration while Mike exploded inside her. Séverine reclaimed the tool for sharing; Mike, still erect, took Séverine in the same position and pounded her ring,

Vanessa offering Séverine her anus which Mike had just soiled. Mike, with great thrusts, exploded inside her.

After just a few minutes, Séverine asked:

— Tell me, my love, when do we leave?

— Well... just as soon as you confirm the program with the dates and send it to our dear members and friends!

— And for how long? Vanessa asked, mostly for my clothes!

— Let's say ten days; it's nice and a good break!

— With your help, Vanessa, Séverine said, in three days everything is wrapped up!

— Ok, Mike said, I'll arrange a departure for the end of the week.

3 -Heading for Grande Baie

In order to avoid a relatively long and tiring journey, Mike had reserved three business class tickets with an early morning arrival, especially sparing them the aches upon arrival. The trip for these two felines was very pleasant, both sharing a great moment of happiness that they were not ready to forget.

At the arrival, after the formalities, they took a taxi with their luggage towards Grande-Baie and went to the address indicated to the taxi driver. He parked in

front of the gate of the house, the watchman activating the opening of the automatic gate; the driver released them at the entrance of the villa while Mike went away. – But where are you going Mike ? asked Séverine

– I'm going to get the keys they are at the watchman's ! Mike came back with the bunch of keys, opened the access gate and they entered the enclosure.

— Come on, we put the suitcases here we are already going to take a little tour !

The girls were dumbfounded to see the water just at the end of the property bordered by a small sandy beach. A covered boat of about twenty meters, was moored just next to it. Turning back towards the villa with her back to the

sea, Vanessa said with humor : "Another poor man this gentleman"...

— It's splendid! a dream not even imaginable in a postcard continued Vanessa

— It's really wonderful and look at the pool right at the foot of the house ! Said Séverine marvelling

— It's not ten days that we must stay, it's ten years! said Vanessa without any more voice

— And the owner, this guy lives alone in this huge shack ? asked Séverine

— Yes he is a musician and he travels a lot and doesn't come often.

— We go inside we have the right ?
asked Vanessa laughing They entered
through the service door, Mike released
the securities and the central alarm
system, then activated the opening of the
shutters of the entire ground floor.

— But tell me, how do you know how to
handle all these controls ? asked
Séverine intrigued

— I studied the plan he had sent me , it's
not rocket science ! They entered the
living room and there, she found herself
close to syncope.

— But how is it possible, the ceiling is
so high it looks like a cathedral ! Look at
this huge column of green plants right in
the middle ! But it's Merlin's house !
Launched Vanessa moved.

— And here look at this huge piano Mike you will even be able to play ! said Séverine

— It looks like a concert piano given its size ! Glass walls separated an office, a dining room and two other rooms. The living room occupied all the main surface of the villa, an elevator in the middle of a large staircase led to the first floor.

— Poor man's house you were saying Vanessa, it's enough to make you cry sometimes the misery of others... resumed Séverine

— You're telling me... I saw a coffee machine at the bar we could perhaps make ourselves some espressos ? Said Mike

— What is there behind the glass partition here ? asked Vanessa

— Well look for yourself !

— My God, where is the restaurant ? It's a professional kitchen all in stainless steel ! Mike brought the coffees into the living room and everyone sat comfortably on the sofas

— For me said Vanessa, a guy who lives here in this standing, even if he is ugly I marry him right away !

— How venal you are girls, it's not possible ...

— It was to joke come on !

— It's funny but you know where everything is here, the alarms, the coffee, the cups said Séverine still intrigued

— Everything appeared on the plan with a lexicon said Mike ! It's good ! We will be able to enjoy the day it is still early !

— What a view from here, I am blown away ! resumed Vanessa They went into the garden, taking a tour of the property and admiring the breathtaking view of the seaside. While Mike had stepped away for just a few minutes, a little maid came into the garden to meet them.

— Hello my name is Bibi, I am the employee of the house, I was warned of your arrival ! If you need something don't hesitate ! Said she laughing At the same time, Mike came back towards the

girls and crossed Bibi; he had planned everything except this blunder.

— Ooooh !!! Mr. Mike is back !!! What a pleasure to see you again! let me kiss you ! I brought a little gift for you that you adore !

— Ah !? Chocolates ?????

— Yes your favorites !!!

— Thank you Bibi you are a sweetheart !
Said he with a big smile.

The girls had trouble understanding, finding themselves distraught, looking at each other speechless...

— Wait, wait, I... I think that... I'm starting to understand said Séverine pensive calling Mike a little further...

— Hey Mike !!! Can you come here two minutes please ?

— Here I am ! Why are you looking at me weirdly both of you ?

— He is really great your friend Joe !! But if he is not here where is he?

— And me, continued Vanessa, how can you explain that Bibi brings you your "favorite" chocolates while you are not supposed to know her eh ?

— Me I'm going to tell you!!! replied Séverine, in a state between rage and a fit of laughter, I am delighted to meet you Joe !!!!

The shock was terrible, the two girls with tears in their eyes, laughed so much that they found themselves slumped on

the lawn no longer able to catch their breath. Mike remained stoic, he didn't move a muscle, except for his lips which sketched a fine smiling grimace.

— I have to go to the toilet!! said Séverine, where is it?

— Er... ask Bibi ! Retorted Mike dying of laughter

— I'm sorry earlier for my marriage proposal Joe, I didn't know said Vanessa eyes misty , but one thing is certain it's the man with whom I will cheat on you !

— I'm going to cry with laughter, come on come you're going to help me uncover the boat !

They climbed on board and undid point by point the blue cover that covered it.

— Séverine back, called Mike, tell me Bibi asks if she should prepare the lunch here or not ? Or must I ask Joe ?

— You want to eat here this noon or outside choose ! Here you will have lobsters Creole style, it's a specialty that Joe particularly appreciates !

— Little bastard!!! cried Séverine rushing into his arms, I hate you ! Said she kissing him

— Go quickly confirm to Bibi and ask her for the boat keys we are going to go take a little tour !

Excerpt 3

Bibi, the mother hen in her, this old Creole woman, bore the traces of a rich life, where goodness had hollowed its furrows even into the wrinkles of her face. Mike had gone to the boat to check the fuel gauges when he saw two young couples admiring the boat for a few minutes and speaking French.

— Hi! said Mike

— Hello! We are only looking! replied one of the guys with a clear and melodious voice.

They approached on the pier, Mike came down and they shook hands while introducing themselves.

— We come from Switzerland! My name is Adrien, he is Pascal and our friends, Mia and Chloé! We are here for a few more days.

— I'm just Mike said he laughing

— What a beautiful boat tell me does such a machine drink a lot? Asked Adrien

— A reasonable average of about one hundred liters an hour per engine and without pushing it...

— Well I prefer that you go fill it up without me said Adrien dying of laughter

— You want to take a look?

— Then that with the greatest pleasure!
retorted Adrien joyful.

Their two friends were beautiful and slender, very seductive; Mike liked to contemplate pretty women, it was for him his pleasure. Possessing a certain experience of women, he had noticed the little glances from one and the other while he was in shorts and shirtless. — It's fabulous and I suppose there are rooms underneath!

— Yes there are four large cabins with bathrooms and a living room, come I'll give you a guided tour, replied Mike

— It's my dream to have a boat like that said Pascal

— Ah yes! Objected Mike But not to go on the lake!

— I see that you know Switzerland well replied Adrien bursting out laughing,

— And what do you do in life without indiscretion?

— Both of us we are photographers and our friends Chloé and Mia are freelance models

— I have a question, added Adrien back on deck: how do you do to come to the boat from the land?

— Eh? But it's easy! Look, I live right in front!

— Well yes... like that I understand better! What a piece your house, it's of all beauty!

— This afternoon we plan to go out at sea, does it tell you to take a tour?

— We don't want to impose, but if you propose it like that, the answer is yes automatically!

– Come on come! I invite you for a drink
They settled in the garden lounge around the pool and Mike made the introductions. Photographers and professionals, Adrien and Pascal did not remain indifferent to Vanessa and Séverine, just as Chloé and Mia were not

with regard to Mike. Bibi bringing the drinks, Mike took the opportunity to add:

— Since we are taking you this afternoon, would you like to have lunch with us ?

— Since we can't stop saying yes we can't say no ! You are really super nice, I love this kind of unexpected meeting said Adrien cordially, Mike observing the faces of his four guests light up.

— Bibi said Mike, four more no problems for you ?

— No problem I manage ! said she laughing The men were fueled by Pastis, while the girls tasted an arranged rum

prepared by Bibi; Mike had noticed in the two girls their easy drinking...

— Mike, I must tell you that this rum is fabulous , a sublime perfume I have never drunk one so fine ! Said Chloé

— It's a preparation by Bibi, one of her best kept secrets ! While the discussion was going well, Mike smiling stood up and left in the direction of the kitchen asking Bibi to serve another round. Upon his return he crossed Vanessa who said to him discreetly:

— Hum you, I have the impression that you are preparing a plan in your own way for us ...

— Me ? But no my darling , but no... said he with humor

— Two girls from modeling, I sniff them from a hundred meters ! said she laughing – I'm counting on you to relax the atmosphere eh !?

— What a stupid question baby she said laughing, I was already thinking about it ! I'm going to pass the word to my colleague !

Bibi's punch in the girls was starting to produce its effect

— To start we are going to use "tu" it's still simpler !

— Fine Captain ! you're the boss retorted Chloé hilarious Vanessa and Séverine had connected with the girls without neglecting the boys.

They sat down to eat, Bibi prepared a sausage rougail, a Creole curry and a Dholi Puri all washed down with a very fresh rosé Sancerre. The atmosphere was relaxing, and the discussion wandered through a multitude of subjects

— I know Mike that it can seem indiscreet said Adrien, but what do you do in life ?

— Many things ! Currently we are all partners in fashion, photos, public relations... A more or less laconic answer but which did not leave Chloé and Mia indifferent...

— Hey ! girls said Mike, I suppose that under your pareo, you are in swimsuits !

— I undo the knot here, and everything falls ! Replied Chloé doubled over with a suggestive laugh

— Me likewise, all this holds only by a thread ! Said Mia ironically

— Not the swimsuit all the same !?
Retorted Mike bursting out laughing,

Everyone started laughing out loud, the four new friends well lit. After a coconut sorbet, a little coffee for the road and on with the adventure ! Vanessa and Séverine casting off the moorings with pride, the seven passengers set sail leaving the four new friends in total amazement.

Chloé and Mia dropped their pareo. Vanessa had become very close to Mia while Chloé did not leave Séverine, a good omen ! The sun, king of the sky, darted its rays on a peaceful sea, only half an hour from the mainland where they had ventured. Mike dropped anchor.

— It's the ideal moment and place to dive now if you wish !

The four girls did not need to be asked twice and dove head first followed by the two men. They were above a coral reef, Mike threw them masks and snorkels then dove in his turn. In the middle of this paradisiacal place, they were all intoxicated, not only by the wine, but by the communicative joy and

the unique atmosphere that together they created.

At the end of half an hour, everyone came back up, commenting on the wonderful views of the reef and the surrounding fauna. Vanessa and Séverine brought some large towels delicately wiping the backs of their friends while Mike Adrien and pascal were lying on the stern deck.

— Hey ! girls, said Vanessa we could take the opportunity to treat ourselves to a good full sunbath no ? There is no one around...

— Super good idea, but we are going to burn we didn't take oil or sun protection !

— Don't worry ! We have everything you need, I'm going to get them said Séverine Taking off their swimsuits, they all four stretched out on the mattresses covered with their towel.

— Get on your backs, said Vanessa, Séverine and I are going to coat you.

Once their hands were anointed with oil, they caressed their skin, as fine as it was soft, massaging them from the nape of the neck, the shoulders, the back.

— But it's giant, I have never known this said Chloé emitting a little sigh of joy.

— A true orgasm said Mia in an exhalation of pleasure escaping from her lips.

— But it's not finished said softly Vanessa while making a discreet wink to Séverine, we have only just begun...

They continued their massage on the legs, going up slowly on their thighs, massaging them deeply and sensually up to their inner thigh, then their fleshy rump, perceiving in return only small exclamations of ecstasy... They turned over, each synchronized placing a foot on the shoulder of their masseuse, their hands wandering at the very top of their thighs. Then languidly, they delicately began the journey of their hands on their breasts, massaging them one after the other, titillating their hardened nipples. There was not the slightest doubt that the message had passed.

— Now said Séverine, it's your turn to do as well as what we have done ! said she with a mischievous air.

Séverine and Vanessa were side by side, Chloé and Mia being each on one side. Vanessa and Séverine placed themselves face to face, while Chloé and Mia sensually massaged each their back by coating it with oil, at the moment when Séverine and Vanessa set the powder keg on fire, starting by embracing each other while kissing languidly. At this precise moment, the hands of the two masseuses came to rest on their breasts, rolling their nipples under their fingers.
